Professional indoor/outdoor Putting Green.

The ultimate home practice putting green. 2ft10"x 9ft 6", collapsible for storage. Suitable for use indoor or outdoor and will sit nicely in the office, conservatory, family room, or outdoor on the patio. They make an ideal Christmas present for the golfer and one that the whole family can enjoy. Modular, synthetic turf covered, personal practice putting green system. Not so much a "toy" but an "artificial green at home".

- Set-Up Dimensions: 2' 10" x 9' 6", 20 square feet of putting surface.
- Structured moulded base allows golfer to stand on whole surface
- Collapsible for storage, assembles & stores in minutes
- Large consistent putting surface
- Composite molded technology.
- 2 X Regulation size pin cups.
- Tour speed weather resistant turf.
- Adjustable breaks.
- Practice green pin.
- Drain holes for outdoor use
- Professional artificial turf surface
